HORSE OF THE WEEK

Roper

Paint • Gelding • 12-Year-Old • 15.1 hh

Roper is a great gelding – very laid back and ready for a new home. KyEHC staff took Roper on a 5-mile trail ride at Shakertown last weekend and he was fantastic. Roper loaded easily, stood quietly on the trailer and stood tied to the trailer calmly. On the trails he was quiet, relaxed and didn't hesitate going over small logs and through brush.

He is easy to handle, groom and gets along with other mares and geldings. He is sound for any discipline but has only been used for pleasure and trails that we know of.
